Banner Shooting Range - Iowa Department of Natural Resources

Banner Shooting range is a multi-use shooting facility located between Des Moines and Indianola on Highway 65/69 near Summerset Park. The facility has undergone major renovations and improvements and currently offers handgun, rifle and shotgun ranges. An archery range is planned for 2007. Please call the range or visit the Iowa DNR website to find out about range news and upcoming events at Banner Shooting Range.

Shotgun Range

The shotgun range at Banner has four shooting stations. Each station is equipped with new, Lincoln clay target traps capable of throwing singles or doubles targets. Shooters may bring their own clay targets or may purchase clay targets at the range office.

Handgun and Rifle Range

The handgun and rifle area consists of two shooting ranges. The 50-yard range has distances of 25 and 50 yards and is ideal for handgun and rimfire rifle shooting as well as shotgun patterning. The 100-yard range has distances of 25, 50 and 100 yards and is ideal for all types of rifle shooting. Both ranges are equipped with target stands and backing material....all shooters need to provide are paper targets. Both ranges feature individual shooting booths for additional safety. Shooters may select from standing position and bench-rest type shooting booths on either range. Reactive steel targets will be available on the handgun range in 2007.

Shooting Range Fees

Handgun and Rifle: \$8.00/hour*

Shotgun Option 1: \$6.00/hour *
(shooter provides targets)

Shotgun Option 2: \$6.00/25 targets
(targets purchased at range)
